To the Honorable County Commissioners for
the County of Worcester - Respectfully represents
Elmer B. Thompson of Southborough in said
County, that he now is and for several years
past has been seized in fee and the owner of
certain real estate situate in the easterly part
of said Southborough containing about three
and one half acres of land, bounded on the
east by the road which leads from the Store
of Dexter Fay & Sons, at the highway known as
the Worcester Turnpike, northerly by the Station
of the Agricultural Branch Rail Road Corporation
to the County road from Southborough Centre
to Frammingham; on the southward by land
of said Corporation, and on the north by lands
of Grant Fay, and that, on the 7th day of August
last, the Selectmen of said Southborough laid
out a new town way from said "Turnpike" near
said Store, thence running northerly and crossing the
county road aforesaid, and thence to near the house
then occupied by Jane Newton, the portion of such
new way between said turnpike and said County
road to be three rods in width, and partially over
and upon said lands of your petitioner; and in such
laying out made certain widenings straightenings and
alterations in the course and grade of the Town-

-way first above named. That on the 3^d day of September last past at a legal meeting of the Inhabitants of said Town of Southborough. Held for that purpose the way so laid out with such widenings, straightenings and alterations was reported by the Selectmen and accepted and allowed by said Inhabitants —

All of which will fully appear from the Report of the Selectmen and the Records of the Town —

And your petitioner further represents that by such laying out widenings, straightenings and alterations the lands of your petitioner aforesaid have been taken from him and his entire estate aforesaid greatly injured and depreciated in value in various ways, that he is dissatisfied with the estimate of his damages reported by said Selectmen and accepted by said Inhabitants —

Therefore, and also inasmuch as said Inhabitants have entered upon and taken possession of the land over which said new town-way is located, and such widenings, straightenings and alterations are made, he prays your Honors to issue your warrant for a jury to assess his damages in the premises, as is by the Statute in such case made and provided —

and Commonwealth of Massachusetts, to us presented
for widening, relocating and reconstructing the highway leading
southerly and easterly from Main Street in Southborough Center,

adjudged that the prayer of said petitioners ought to be granted, and
legal notice having been given to the owners of the land necessary
to be taken or effected by such widening, relocating and recon-
structing and all parties having been heard who expressed a
wish to be heard We have relocated and widened a portion
of said road by changing the boundaries thereof on the easterly
side of the Town way as follows. Beginning at a stone bound in front
of the house of Patrick O'Reilly on the northerly line of the
Old County Road. leading easterly past Saint Ann's Church
one hundred two and two tenths feet Northwesterly of a stone
bound at the junction of Northwater Street and said County road
thence running Northwesterly on a curve the radius of
which is 608.0 feet, a distance of 425.0 feet more or less to
a point in the easterly line of said Town way, which is -
22.0 feet North of bound #3 mentioned in lay out of New

road near Center Depot. dated July 2^d 1884 and we have widened and relocated said way and have changed the boundaries thereof according to a plan and survey made and drawn by Parker and Bateman and Chase dated February 1909. which plan is hereto submitted as a part of this report.
